FCCLA Craft Day

- We are considering doing FCCLA Craft days once a week after school.
- To start out, it would be a “bring your own craft” type of activity.
- Basically, we would just hangout and craft.
- Ms. Maelzer can teach you how to knit, crochet, cross stitch, or hand embroider.
- If you don’t have a craft, you are more than welcome to still come and hang out.
- As we get this going, we can turn some days into a community service project.
- It will most likely be after school on Wednesdays until 4pm and would start after Nov. 18.
- Anyone interested?
